# LCTI

LEHIGH CAREER &  
TECHNICAL INSTITUTE

# Who can attend LCTI?

Students in grades 11&12 can attend a half day at LCTI as an ACCHS student

Students must have completed:

- **Algebra 1&2**
- **Biology and Chemistry**
- **Two years of a consecutive world language**

In addition to LCTI students would be enrolled in:

- **11th grade- Theology, English, Math**
- **12th grade-Theology, English, Government and Economics**

# Considerations

**ACCHS courses must be taken during the half day students are present. This may eliminate some options for scheduled for that time.**

**Students go to LCTI whenever they are open even if ACCHS is closed.**

**Students do not have to attend on half days (ex.exams) or when special events take place at ACCHS (ex.40 Hours) ACCHS tuition is prorated at 60% of current tuition.**

**As with ACCHS courses, students have one letter cycle to withdraw from LCTI (some elective courses may not be available at that time).**

**Transportation is provided by ACCHS and student return before the end of the school day.Students are not permitted to transport themselves to LCTI unless there is a unique situation. Permission to drive there must be obtained by LCTI**

# Moving Forward

Learn more about the programs that are offered([LCTI.org](http://LCTI.org)). Discuss these options with your parents, teachers, counselors, etc.

Make an appointment to tour LCTI and receive more information:
